 St. Robert, Missouri 65584  
 573-451-2000

## Holiday in the Park

Holiday in the Park is just around the corner. The City of St. Robert is planning a bunch of fun activities for the whole family for the event this year. It will be held on Sunday, December 4, 2011, from 3:00pm to 6:00pm at the St. Robert Community Center after the Lions Club Christmas parade. Activities will include pictures with Santa, vendor booths, free food, live reindeer, coloring sheets, carols and **more! This year's vendors will be selling items** such as home goods & décor, jewelry, hand-

bags, scarves, and other accessories for children and adults, health & beauty products, candles, and much more. This event, like all City of St. Robert events, could not be possible without the generous donations of time and resources from our community. We are always grateful for any and all donations and are gladly accepting donations of candy canes, food, holiday décor, volunteers or monetary donations. If you are interested in making a donation or have questions about the event, please contact Betheny Martin at 451-2625 or by email at [bmartin@saintrobert.com](mailto:bmartin@saintrobert.com).

## Recycling Center Changes Take Effect January 1st

Starting on January 1, 2011, the Recycling Center located at the Saint Robert Transfer Station will no longer accept *glass or types 3 through 7 plastics* for recycling. Items that will be accepted are:

- ❖ **Plastics** -Type 1 (PETE) clear and Type 2 (HDPE) opaque and colored will be accepted. Each bin will be marked with the appropriate plastic number.
- ❖ **Cans** -Tin cans and Aluminum cans. These cans must be separated into bins.
- ❖ **Paper** - Office paper, Newspaper, Packing paper and Magazines. Do not mix cardboard or paper board with regular paper.
- ❖ **Cardboard** - Corrugated cardboard and Paper Board

No appointment is necessary for the drop off of recyclable items. Items may be brought to the Saint Robert Transfer Station between the hours of 7:30 a.m. and 3:30 p.m. Monday through Friday. After hours, totes are located on the West side of the building for recycling drop offs. These totes are for recyclable items only, not regular waste.

If you have any questions regarding the recycling program or these changes, please contact the Transfer Station at (573) 336-5155 during normal hours of operation.

Veteran's Service Officer ...	451-2533
Ozark Family-Centered Medical Home (Off - Post Military Treatment Facility)	
.....	573-596-0064

## Snow Removal Policy

As we head into the 2011 – 2012 plowing season, we believe it would be beneficial to remind the residents and commercial property owners of our policies for snow removal. The City of Saint Robert Street Department will only plow those streets which have been accepted by the City for maintenance. The list of streets maintained by the City can be found on the City Web Site at [www.saintrobert.com](http://www.saintrobert.com) under *news & announcements*. We ask that residents avoid parking on streets when a snow storm is coming. To expedite snow removal, any vehicle parked on a street in a manner which hampers snow removal activities, the owner will be asked to move the **vehicle or the vehicle will be removed at the owner's expense.**

For our Commercial Property owners and snow removal contractors, we would like to remind you of Section 340.240 of the St. Robert City Code which states:

### SNOW AND ICE REMOVAL LIMITATIONS

A. *Prohibition On Snow And Ice Removal From Private Property.* No person shall remove **snow** or ice from private property and deposit the same on any public street right-of-way or parking lot. Any **snow** so deposited may be removed by the City and the cost of such removal shall be assessed and charged to the person in violation thereof in addition to any penalties imposed by the Municipal Court pursuant to [Section 100.220](#).

B. *Prohibition Of Piling Of Snow And Ice At Street Intersections.* No person shall pile **snow** or ice at any intersection in a quantity sufficient to interfere with the vision of motor vehicles or pedestrians. The Street Foreman and any Police Officer on duty will determine if vision is obstructed. Any **snow** so deposited shall be removed by the City and the cost of such removal shall be assessed and charged to the person in violation thereof in addition to any penalties imposed by the Municipal Court pursuant to [Section 100.220](#). (Ord. No. 2158 §§1--3, 2-2-09)

Finally, we ask everyone while driving to yield to plow trucks and provide them plenty of room to operate. Do not follow any closer than 50 feet and reduce your speed if passing them. With your help, we will be able to quickly and safely remove the snow from our streets.

### Winter Weather Watches, Warnings and Advisories – What do they Mean?

The National Weather Service uses specific weather terms to ensure people know what to expect in the coming days and hours. A *Winter Storm Watch* means severe winter conditions, such as heavy snow and/or ice, may affect your area, but its occurrence, location and timing are still uncertain. A winter storm watch is issued to provide 12 to 36 hours notice of the possibility of severe winter weather. A winter storm watch is intended to provide enough lead time to prepare. A watch is upgraded to a *Winter Storm Warning* when 4 or more inches of snow or sleet is expected in the next 12 hours, or 6 or more inches in 24 hours, or 1/4 inch or more of ice is expected. *Winter Weather Advisories* inform you that winter weather conditions are expected to cause significant inconveniences that may be hazardous. Be sure to listen carefully to radio, television, and Weather Radio for the latest watches, warnings, and advisories.

Preparation is the Key. At home and work, *the* primary concerns are loss of heat, power and telephone service and a shortage of supplies if storm conditions continue for more than a day. Have available: flashlight w/extra batteries, battery-powered Weather Radio and portable radio (to receive emergency information), extra food & water, extra medicine/baby items, first-aid kit, heating fuel, among other items.
